PROXY STATEMENT

We are providing this proxy statement in connection with the solicitation of proxies by the Board of Directors of Natural Alternatives International, Inc., a Delaware corporation (the “Company” or “we,” “our,” or “us”), for use at the Annual Meeting of Stockholders to be held on Friday, December 7, 2023, at 11:00 a.m. Pacific time, and at any adjournment or postponement thereof (the “Annual Meeting”). The meeting will be held virtually. We expect to mail this proxy statement and the enclosed proxy card on or about November 6, 2023 to all stockholders entitled to vote at the Annual Meeting.

VOTING INFORMATION

How can I attend the Annual Meeting?

The Annual Meeting will be a completely virtual meeting of stockholders, which will be conducted exclusively by webcast. You are entitled to participate in the Annual Meeting only if you were a stockholder of the Company as of the close of business on the Record Date, or if you hold a valid proxy for the Annual Meeting. No physical meeting will be held. You will be able to attend the Annual Meeting online, listen to the meeting, and submit your questions during the meeting by visiting <https://meetnow.global/MTN9ADW>. You also will be able to vote your shares online when attending the Annual Meeting by webcast.

To participate in the Annual Meeting, you will need to review the information included on your Notice, on your proxy card, or on the instructions that accompanied your proxy materials.

The online meeting will begin promptly at 11:00 AM Pacific Time. We encourage you to access the meeting prior to the start time leaving ample time for the check in. Please follow the registration instructions as outlined in this proxy statement.

How do I register to attend the Annual Meeting virtually on the Internet?

If you own your shares through our transfer agent, Computershare, follow the instructions on your proxy card to access the meeting. No advance registration is necessary.

If you do not hold your shares with our transfer agent Computershare, you have two options to attend the Annual Meeting.

1) Registration in advance of the Annual Meeting

To register, submit proof of your Natural Alternatives International common stock holdings along with your name and email address to our transfer agent by email to: legalproxy@computershare.com, or by mail to Computershare, Natural Alternatives International, Inc., Legal Proxy, P.O. Box 43001, Providence, RI 02940-3001.

2) Registration at the Annual Meeting

You may register online at the Annual Meeting to attend, ask questions, and vote. We expect that the vast majority will be able to fully participate using the control number received with their proxy card. Please note, however, that this option is intended to be provided as a convenience, and there is no guarantee this option will be available for everyone. The inability to access this option shall in no way impact the validity of the Annual Meeting. You may choose the Register in Advance of the Annual Meeting (see option above).

Who can vote?

You may vote if you were a stockholder of record as of the close of business on October 23, 2023. This date is known as the record date. You are entitled to one vote for each share of common stock you held on that date on each matter presented at the Annual Meeting. As of October 23, 2023, 6,088,813 shares of our common stock, par value \$0.01 per share, were issued and outstanding, net of 3,240,593 treasury shares.

How many votes are needed to hold the Annual Meeting?

To take any action at the Annual Meeting, a majority of our outstanding shares of common stock entitled to vote as of October 23, 2023, must be represented, in person or by proxy, at the Annual Meeting. This is called a quorum.

What is a proxy?

A “proxy” allows someone else to vote your shares on your behalf. Our Board of Directors is asking you to allow Mark A. LeDoux, the Chair of our Board of Directors and Chief Executive Officer of the Company, and Kenneth E. Wolf, the President, Chief Operating Officer, and Secretary of the Company to vote your shares at the Annual Meeting.

How do I vote by proxy?

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. To vote by proxy, please follow the instructions on the enclosed proxy card. You may vote by telephone, by Internet or by mail. Shares held in street name may be voted by telephone or by Internet only if your broker or nominee makes those methods available. Your broker or nominee will enclose instructions for voting shares held in street name by telephone or by Internet with this proxy statement if your broker or nominee has chosen to make those methods available.

If you vote by proxy, your shares will be voted at the Annual Meeting in the manner you indicate. If you vote by mail and return a signed proxy card with no specific instructions, your shares will be voted as the Board of Directors recommends.

Can I change my vote after I submit my proxy?

Yes. You can change or revoke your proxy at any time before it is voted by submitting another proxy with a later date. You may also send a written notice of revocation to Natural Alternatives International, Inc., 1535 Faraday Avenue, Carlsbad, California 92008, Attention: Kenneth Wolf, Secretary.

Can I vote at the Annual Meeting instead of voting by proxy?

Yes. However, we encourage you to vote your shares at your earliest convenience to ensure that your shares are represented and voted. If you vote your shares by proxy and later decide you would like to attend the virtual meeting and vote your shares during the virtual meeting, you will need to provide a written notice of revocation to the Inspector of Elections at the meeting before your proxy is voted. If you do not attend the annual meeting, you may nonetheless vote your shares by telephone, by internet, or by signing, dating, and returning the enclosed proxy card.

How are votes counted?

Except as noted, all proxies received will be counted in determining whether a quorum exists and whether we have obtained the necessary number of votes on each proposal. Abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum for the Annual Meeting, but broker non-votes are not counted for purposes of determining the number of shares entitled to vote with respect to any proposal. Accordingly, broker non-votes will have no effect on the outcome of the vote for the election of directors or any other proposed matter. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker has not received voting instructions from the beneficial owner and (ii) the broker lacks discretionary voting power to vote such shares.

Stockholders of record who are present in person or by proxy and who abstain, including brokers holding customers' shares of record who cause abstentions to be recorded at the meeting, are considered stockholders who are present and entitled to vote on the proposals. Accordingly, a properly executed proxy marked “ABSTAIN” or “WITHHOLD” with respect to any matter will not be voted, will have no effect on the outcome of the election of directors, and will have the same effect as a vote “AGAINST” any other proposed matter.

What is the effect of not casting my vote?

If you hold your shares in street name, it is critical that you cast your vote if you want it to count in the election of directors. In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of directors, your bank or broker was allowed to vote those shares on your behalf in the election of directors as they felt appropriate.

Regulations have changed to take away the ability of your bank or broker to vote your uninstructed shares in the election of directors on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors, no votes will be cast on your behalf. Your bank or broker will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment of our independent registered public accounting firm.

How many votes are required to approve each of the proposals?

For the election of the Class III director, a plurality of the votes is required for the election of the director. This means that the candidate who receives the most votes will be elected to the available Class III position on the Board of Directors. The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve all of the other proposals.

As of October 23, 2023, our executive officers and directors were entitled to vote 1,257,239 shares, or approximately 20.6% of our issued and outstanding common stock. Our executive officers and directors have indicated their intention to vote “for” the election of the nominee for Class III director, and “for” Proposal 2.

You will not have any rights of appraisal or similar dissenter’s rights with respect to any matters to be acted upon at the Annual Meeting.

Who pays for this proxy solicitation?

The Company will pay the cost of soliciting proxies for the Annual Meeting, including the costs of preparing, assembling and mailing the proxy materials. We will provide copies of proxy materials to fiduciaries, custodians and brokerage houses to forward to the beneficial owners of shares held in their name. We may reimburse such fiduciaries, custodians and brokers for their costs in forwarding the proxy materials.

In addition to the solicitation of proxies by mail, certain of our officers and other employees may also solicit proxies personally or by telephone, facsimile, or other means. No additional compensation will be paid to these individuals for any such services.

Board Meetings

During the fiscal year ended June 30, 2023, all members of the Board of Directors attended all of the meetings held by the Board of Directors, and all of the members of each of the committees of the Board of Directors attended all of the meetings of each of the committees on which they served.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors is comprised of four members, three of whom are independent. The remaining member, Mr. LeDoux, is our founder, Chief Executive Officer and largest stockholder. Mr. LeDoux also serves as the Chair of our Board of Directors. We do not have a lead independent director. At our Company the position of Chair of our Board of Directors is not a Company officer as a result of being the Chair of our Board. The Chair presides over meetings of the Board of Directors but in the capacity as a member of the Board of Directors. The Chair of our Board of Directors does not possess any other rights or responsibilities as a result of being the Chair that differ from the other members of the Board of Directors. Mr. LeDoux is an officer of the Company due his being the CEO. We believe a four-member board, three of whom are independent members, is acceptable, if not ideal for the size and operations of our Company. The Board of Directors has Audit, Human Resources and Nominating Committees as described in more detail below. Our Board of Directors is principally responsible for providing risk oversight of the Company. In its risk oversight role, our Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. Our Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole and through the Board committees that address risks inherent in their respective areas of oversight. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to risk management in areas of financial risk, internal controls, and compliance with legal and regulatory requirements. The Human Resources Committee assists the Board of Directors with oversight of risk management in the areas of compensation policies and practices. The Nominating Committee assists the Board of Directors concerning organization, membership and structure of the Board of Directors, and facilitating the annual Board assessment process, as well as recommending to the Board the appointment of officers.

Independence

Nasdaq rules require listed companies to have a board of directors with at least a majority of independent directors. Our Board of Directors has determined that three of our four directors are independent under the listing standards of the Nasdaq Stock Market. The members we have determined to be independent are Ms. Matherly and Messrs. Dunn and Ramanathan.

Hedging

Our Corporate Disclosure and Insider Trading Policy (among other requirements) prohibits our officers, directors and employees from trading in any interest or position relating to the future price of our securities, such as a put, call or short sale, and buying and selling Company securities on the same day.

Board Committees

Our Board of Directors has an Audit Committee, a Human Resources Committee, which includes the functions of a compensation committee, and a Nominating Committee. Membership on each committee is limited to independent directors as defined under the listing standards of the Nasdaq Stock Market. In addition, members of the Audit Committee also meet the independence standards for audit committee members adopted by the Securities and Exchange Commission (“SEC”). The members of the committees of our Board of Directors are as follows:

<u>Audit Committee</u>	<u>Human Resources Committee</u>	<u>Nominating Committee</u>
Alan G. Dunn (Chair)*	Laura Kay Matherly (Chair)	Alan G. Dunn (Chair)
Laura Kay Matherly*	Alan G. Dunn	Laura Kay Matherly
Guru Ramanathan	Guru Ramanathan	Guru Ramanathan

* The Board of Directors has determined that Mr. Dunn and Ms. Matherly are each an “audit committee financial expert” as defined by applicable rules adopted by the SEC.

During the fiscal year ended June 30, 2023, the Audit Committee held four meetings, the Human Resources Committee held two meetings, and the Nominating Committee held one meeting.

Audit Committee. The Audit Committee operates under a charter adopted by the Board of Directors in 2009. The Audit Committee charter is available on our website at www.nai-online.com. The general function of the Audit Committee is to oversee our accounting and financial reporting processes and the audits of our financial statements. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to our accounting, reporting and financial practices, including the integrity of our financial statements and disclosures; the surveillance of administration and financial controls and our compliance with legal and regulatory requirements; the qualification, independence and performance of our independent registered public accounting firm; and the performance of our internal audit function and control procedures. The Audit Committee has the sole authority to appoint, determine funding for, and oversee our independent registered public accounting firm. In addition, the Audit Committee is responsible for reviewing and recommending matters to the Board of Directors but does not have authority to make final decisions except as set forth in the Audit Committee’s charter.

Human Resources Committee. The Human Resources Committee operates under a charter adopted by the Board of Directors in September 2015. The Human Resources Committee charter is available on our website at www.nai-online.com. The primary purpose of the Human Resources Committee is to oversee our overall compensation and incentive compensation programs for our executive officers and certain other key personnel. The Human Resources Committee is responsible for reviewing and recommending matters to the Board of Directors, which may be based on recommendations from our management, but the Committee does not have authority to make final decisions except with respect to our incentive compensation plans as described below or as otherwise set forth in the committee’s charter. Among other things, the Human Resources Committee recommends to the Board of Directors the amount of compensation to be paid or awarded to our officers and certain other personnel including salary, bonuses, other cash or stock awards under our incentive compensation plans as in effect from time to time, our retirement programs and plans and other compensation. The Committee is responsible for evaluating the performance of our Officers and making recommendations to the Board of Directors concerning the compensation of our officers. The Human Resources Committee may engage the services of an independent compensation and benefits consulting company when the Committee deems appropriate to conduct a survey and review of our compensation programs as compared to other similarly situated companies taking into account, among others, industry, size and location.

Nominating Committee. The Nominating Committee operates under a charter adopted by the Board of Directors in September 2009. The Nominating Committee charter is available on our website at www.nai-online.com. The purpose of the Nominating Committee is to assist the Board of Directors in identifying qualified individuals to become members of the Board of Directors and in determining the composition of the Board of Directors and its various committees. The Nominating Committee periodically reviews the qualifications and independence of directors, selects candidates as nominees for election as directors, recommends directors to serve on the various committees of the Board of Directors, and oversees the self-assessment process of each of the committees of the Board of Directors.

The Nominating Committee considers nominee recommendations from a variety of sources, including nominees recommended by stockholders. Persons recommended by stockholders are evaluated on the same basis as persons suggested by others. Stockholder recommendations may be made in accordance with our Stockholder Communications Policy. See “Stockholder Communications with Directors” below. The Nominating Committee has the authority to retain a search firm to assist in the process of identifying and evaluating candidates.

The Nominating Committee has not established any specific minimum requirements for potential members of our Board of Directors. Instead, the Nominating Committee’s evaluation process includes many factors and considerations including, but not limited to, a determination of whether a candidate meets Nasdaq and/or SEC requirements relating to independence and/or financial expertise, as applicable, and whether the candidate meets our desired qualifications in the context of the current make-up of the Board of Directors with respect to factors such as business experience, education, intelligence, leadership capabilities, integrity, competence, dedication, diversity, skills, and the overall ability to contribute in a meaningful way to the deliberations of the Board of Directors respecting our business strategies, financial and operational performance and corporate governance practices. The Nominating Committee will generally select those nominees whose attributes it believes would be most beneficial to us in light of all the circumstances.

Stockholder Communications with Directors

Our Board of Directors has adopted a Stockholder Communications Policy to provide a process by which our stockholders may communicate with the Board of Directors. Under the policy, stockholders may communicate with the Board of Directors as a whole, with the independent directors, with a committee of the Board, or with a particular director. Stockholders wishing to communicate directly with our Board of Directors may do so by mail addressed to Natural Alternatives International, Inc., 1535 Faraday Avenue, Carlsbad, California, 92008, Attn: Corporate Secretary. The envelope must contain a clear notation indicating that the enclosed letter is a “Stockholder-Board Communication” or “Stockholder-Director Communication.” All such letters must identify the author as a stockholder of the Company and clearly state whether the intended recipients are all members of the Board of Directors, all independent directors, all members of a committee of the Board, or certain specified individual directors. The Corporate Secretary will review the communications received from stockholders at the above designated address on a regular basis and if they are relevant to our operations and policies, they will be copied and forwarded to the appropriate director or directors as expeditiously as reasonably practical. By way of example, communications that are unduly hostile, threatening, obscene, illegal or similarly inappropriate will not be forwarded to any director. Matters deemed to be trivial in the sole discretion of the Corporate Secretary will be delivered to the appropriate director or directors at the next regularly scheduled meeting of the Board of Directors. The Corporate Secretary will periodically provide the Board of Directors with a summary of all communications received that were not forwarded and will make those communications available to any director upon request. The Board of Directors will determine whether any communications sent to the Board of Directors should be properly addressed by the entire Board or a committee thereof and whether a response to the communication is warranted.

Attendance at Annual Meetings

The members of the Board of Directors are encouraged, but not required, to attend each of our annual meetings of stockholders. It may not be possible or practical, in light of other business commitments of the directors, for all of the members of the Board of Directors to attend all of our annual meetings of stockholders. At our most recent annual meeting of stockholders held on December 2, 2022, all of the members of our Board of Directors were present.

PROPOSAL 1

Nominee

At the Annual Meeting, one director is to be elected in Class III, to serve until the next meeting of stockholders held to elect directors in Class III and until their respective successors are elected and qualified or their earlier death, resignation, or removal. The Board of Directors proposes the election of the nominee named below, who currently serves as a member of our Board of Directors in Class III.

Unless authorization to do so is withheld, proxies received will be voted “for” the nominee named below. If the nominee should become unavailable for election before the Annual Meeting, the proxies will be voted for the election of such substitute nominee as the present Board of Directors may propose. The person nominated for election has agreed to serve if elected, and the Board of Directors has no reason to believe the nominee will be unable to serve.

Our Board of Directors proposes the election of the following nominee as the Class III member of our Board of Directors:

Laura Kay Matherly

Our Board of Directors unanimously recommends you vote “FOR” the election of the nominee as a director of the Company in Class III.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected and approved Haskell & White LLP to serve as our independent registered public accounting firm for the fiscal year ending June 30, 2024. One or more representatives of Haskell & White LLP are expected to be present at the Annual Meeting and are expected to be available to respond to appropriate questions and to make a statement if they desire to do so. Haskell & White LLP was first appointed to serve as our independent registered public accounting firm for the fiscal year ending June 30, 2015.

Audit Fees

Our independent registered public accounting firm, Haskell & White LLP, billed us aggregate fees in the amount of \$229,000 for the fiscal year ended June 30, 2023, and \$216,000 for the fiscal year ended June 30, 2022, in each case for professional services rendered in connection with the audit of our annual financial statements, the reviews of the financial statements included in our Quarterly Reports on Form 10-Q and other services provided in connection with our regulatory filings.

Audit-Related Fees

There were no fees for the fiscal year ended June 30, 2023, billed to us by Haskell & White LLP for assurance and related services reasonably related to the performance of the audit or review of our financial statements and not included under “Audit Fees.” There were no audit-related fees billed to us by Haskell & White LLP for the fiscal year ended June 30, 2022.

Tax Fees

There were no tax fees billed to us by Haskell & White LLP during the fiscal years ended June 30, 2023, and June 30, 2022.

All Other Fees

There were no other fees billed to us by Haskell & White LLP for products and services provided during the fiscal years ended June 30, 2023, and June 30, 2022.

Pre-Approval Policies and Procedures

In accordance with the Audit Committee Charter, all audit and permissible non-audit services performed by our independent registered public accounting firm must be approved in advance by the Audit Committee. Certain non-audit services do not require pre-approval. Non-audit services which do not require preapproval must meet the following qualifications: i) have aggregate non-audit fees less than 5% of total audit fees paid to the independent registered public accounting firm; ii) such services were not recognized by the Company at the time of engagement to be non-audit services; and iii) such services are promptly brought to the attention of the Committee and approved before completion of the audit by the Committee or by one or more members of the Committee to whom authority to grant such approvals has been delegated by the Committee. The Audit Committee may delegate either type of pre-approval authority to one or more of its members, who would then be required to report any pre-approval decisions to the Audit Committee at its next scheduled meeting. In granting pre-approval, the Audit Committee will consider whether such services are consistent with the SEC’s rules on auditor independence, as well as whether our independent registered public accounting firm is best positioned to provide the most effective and efficient service, for reasons such as familiarity with our business, people, culture, accounting systems, risk profile and other factors,

and whether the service might enhance our ability to manage or control risk or improve audit quality. For the fiscal year ended June 30, 2023, all of the audit and non-audit services described herein were approved pursuant to these policies and procedures, as adopted by the Audit Committee, and none of the services were approved by the Audit Committee pursuant to a waiver of pre-approval, as contemplated by Regulation S-X, Rule 201(c)(7)(i)(C).

Audit Services. The annual audit services engagement terms and fees are subject to specific pre-approval by the Audit Committee. Audit services include the annual financial statement audit and quarterly reviews, subsidiary audits, and other services necessary for the auditors to form an opinion on our consolidated financial statements. The Audit Committee monitors the audit services engagement no less frequently than quarterly and also approves, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other items. In addition, the Audit Committee may grant pre-approval to other audit services, which include statutory or financial audits for our subsidiaries and services associated with SEC registration statements, periodic reports and other documents filed with the SEC or issued in connection with securities offerings.

Audit-Related Services. The Audit Committee may grant pre-approval of audit-related services, which are assurance and related services that are reasonably related to the performance of the audit or review of our financial statements or that are traditionally performed by the independent registered public accounting firm. Audit-related services include due diligence services pertaining to any potential business acquisitions or dispositions, consultations related to accounting, financial reporting or disclosure matters not classified as audit services, assistance with the implementation of new accounting and financial reporting rules and guidance, financial audits of employee benefit plans, and assistance with internal control reporting requirements.

Tax Services. To the extent we retain our independent registered public accounting firm to provide tax services, the Audit Committee may grant general pre-approval for those tax services that historically have been provided by its independent registered public accounting firm and that the Audit Committee has reviewed and determined would not impair the independence of the auditor. Generally, tax services involving large and complex transactions must be specifically pre-approved by the Audit Committee. For quite a few years we have exclusively used another firm of Certified Public Accountants to provide tax services and have not relied for tax services upon the independent registered public accounting firm that provides our audit and audit related services.

Other Services. The Audit Committee may grant general pre-approval to those permissible non-audit services that it determines are routine and recurring services and that would not impair auditor independence. All other services not otherwise classified above must be specifically pre-approved by the Audit Committee.

Procedures. All services proposed to be provided by our independent registered public accounting firm that require pre-approval by the Audit Committee are submitted to the Audit Committee or its delegated member by both the independent registered public accounting firm and our Chief Financial Officer. All services proposed to be provided by our independent registered public accounting firm are submitted to our Chief Financial Officer, who determines whether such services are included within those that have received pre-approval by the Audit Committee. The Chief Financial Officer is responsible for monitoring the performance of the services provided by the independent registered public accounting firm, determining whether such services are in compliance with the Audit Committee's pre-approval policies, and reporting the results of his monitoring on a periodic basis to the Audit Committee.

Effect of Ratification

Ratification by stockholders of the selection of Haskell & White LLP as our independent registered public accounting firm is not required by applicable law. However, as a matter of policy and sound corporate practice, we are submitting the selection to our stockholders for ratification at the Annual Meeting. If stockholders fail to ratify the selection of Haskell & White LLP, the Board of Directors will reconsider the matter. Even if the selection is ratified by stockholders, the Board of Directors may select a different firm to serve as our independent registered public accounting firm at any time during the fiscal year if it believes a change would be in the best interests of the Company and its stockholders.

Our Board of Directors unanimously recommends that you vote “FOR” Proposal 2.

PAY VERSUS PERFORMANCE

Our Human Resources Committee did not consider the pay versus performance disclosure when making its compensation decisions for the 2023 fiscal year. The amounts in the table below are calculated in accordance with SEC rules and [may] [do] not represent amounts actually earned or realized by our named executive officers. As required by Item 402(v) of Regulation S-K, we are providing the following information about the relationship between executive compensation actually paid and certain financial and operational performance of the Company for each of the last two completed fiscal years. In determining the “compensation actually paid” or realized compensation (“CAP”) to our Executive Officers, we are required to make various adjustments to amounts that have been previously reported in the Summary Compensation Table in previous years, as the SEC’s valuation methods for this section differ from those required in the Summary Compensation Table above.

Pay Versus Performance Table

The following Pay Versus Performance table sets forth information for the Company's Principal Executive Officer ("PEO"), Mark A. LeDoux for our fiscal years ended June 30, 2023, and 2022, as required by Item 402 of SEC Regulation S-K.

Year	Summary Compensation table total for PEO (\$)	Compensation actually paid to PEO \$(1)	Average summary compensation table total for non-PEO NEOs (\$)	Average compensation actually paid to non-PEO NEOs \$(1)	Value of initial fixed \$100 investment based on Total Shareholder Return (\$)	Net income (\$ in thousands)

2022	954,265	828,147	589,590	520,537	(37.97)	10,712

In our fiscal 2023 and 2022, Mark A. LeDoux was our Principal Executive Officer ("PEO"). In 2023, our remaining Non-PEO Named Executive Officers ("NEOs") were Kenneth E. Wolf President, Chief Operating Officer, and Secretary, Michael E. Fortin, Chief Financial Officer, James Gause, Vice President of Operations, and Andrea Lester, Vice President of Global Quality. Fortin, Chief Financial Officer, James Gause, Vice President of Global Operations, and Gene Quast, Vice President of Global Sales.

Our Human Resources Committee believes the PEO's base salary reflects the value of the executive position and attributes the PEO brings to the Company, including tenure, experience, skill level and performance. No specific weights have been assigned to those factors. The Human Resources Committee periodically reviews the salaries of the PEO and NEOs and adjusts them as needed to maintain market positioning and consistency with other similarly situated executive officers and their evolving responsibilities.

Bonus payments when made have not been tied to any financial performance measure and have been and are planned to continue to be discretionary based on the evaluation of each individual's performance, change in responsibilities, their potential to contribute to the success of the Company, and the performance of the Company.

(1) Compensation Actually Paid was calculated beginning with each individual's total compensation reported in the Summary Compensation Table above, and the following amounts were deducted from and added to such amounts:

Dunn and Ramanathan, and Ms. Matherly) receive an annual retention fee of \$10,000, and a fee of \$1,000 for each board of directors meeting and each committee of the board of directors meeting such director attends. The \$1,000 paid for each board and committee meeting a director attends applies to both regular and special meetings of the board and of each of the board committees, including any regular or special meetings of the board or a committee held via teleconference, unless otherwise expressly determined by the Board on a case by case basis. ⁽¹⁾ During the fiscal year ended June 30, 2023, we granted each of the above directors serving on the Board during the fiscal year shares of restricted common stock that are subject to vesting and forfeiture. Each was granted 7,000 shares on March 7, 2023; of which 2,334 vest on March 7, 2024, 2,333 vest on March 7, 2025, and 2,333 vest on March 7, 2026. Each non-employee director received a deferred cash award of \$37,000 subject to these vesting conditions.

The Company may not enter into a related party transaction unless the transaction is approved by the Audit Committee. A transaction is considered a “related party transaction” if the transaction would be required to be disclosed herein pursuant to Item 404 of Regulation S-K. No related party transactions are currently anticipated or proposed.

STOCKHOLDER PROPOSALS

Stockholders who wish to submit a proposal for inclusion in our proxy materials to be distributed in connection with next year’s annual meeting must submit their proposal so that we receive it no later than the close of business on August 10, 2024. Any such proposal must be in accordance with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended. Pursuant to such rule, simply submitting a proposal does not guarantee that it will be included in our proxy materials.

In accordance with our Restated Certificate of Incorporation, to be properly brought before an annual meeting, a stockholder must deliver timely notice of any matter the stockholder wishes to present. To be timely, we must receive the notice at least 60 days before the original scheduled meeting date. However, if we provide less than 70 days’ notice or prior public disclosure of the meeting date, to be timely we must receive the notice before the close of business on the 10th day following the earlier of the day on which we mailed notice of the meeting date or the day on which we publicly disclosed the meeting date. To be in proper form, the notice must be in writing and include the specified information set forth in Article Fifteenth of our Restated Certificate of Incorporation.

All proposals and notices should be sent by certified mail, return receipt requested, to Natural Alternatives International, Inc., 1535 Faraday Avenue, Carlsbad, California 92008, Attn: Mr. Kenneth Wolf, Secretary. We reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal or matter that does not comply with these and other applicable requirements.

DELIVERY OF PROXY MATERIALS TO STOCKHOLDERS WITH THE SAME ADDRESS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

Brokers with account holders who are our Stockholders may be “householding” our proxy materials. A single Proxy Statement may be delivered to multiple Stockholders sharing an address unless contrary instructions have been received from the affected Stockholders. If you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Proxy Statement and annual report, please notify your broker. If you currently receive multiple copies of the Proxy Statement and annual report at your addresses and would like to request “householding” of your communications, you should contact your broker.

Please note that only one Proxy Statement and annual report may be delivered to two or more Stockholders who share an address, unless the Company has received instructions to the contrary. To request a separate copy of this Proxy Statement and annual report or for instructions as to how to request a separate copy of this document and annual report or as to how to request a single copy if multiple copies of this document and annual report are received, Stockholders should contact the Company at the address and phone number set forth below.

Requests should be directed to the Company at 1535 Faraday Avenue, Carlsbad, California 92008. Copies of these documents may also be accessed electronically by means of the SEC’s home page on the Internet at <http://www.sec.gov>.

OTHER MATTERS

The Board of Directors does not know of any other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting or any adjournment thereof, the proxy holders named in the accompanying proxy card will have discretionary authority to vote all proxies in accordance with their best judgment with respect to any such matters.
