PROXY STATEMENT

We are providing this proxy statement in connection with the solicitation of proxies by the Board of Directors of Natural Alternatives International, Inc., a Delaware corporation (the "Company" or "we," "our," or "us"), for use at the Annual Meeting of Stockholders to be held on Friday, December 7, 2012, at 11:00 a.m. Pacific time, at Natural Alternatives International, Inc., Vista Manufacturing Facility, 1215 Park Center Drive, Vista, California 92081, and at any adjournment or postponement thereof (the "Annual Meeting"). We expect to mail this proxy statement and the enclosed proxy card on or about October 19, 2012 to all stockholders entitled to vote at the Annual Meeting.

VOTING INFORMATION

Who can vote?

You may vote if you were a stockholder of record as of the close of business on October 4, 2012. This date is known as the record date. You are entitled to one vote for each share of common stock you held on that date on each matter presented at the Annual Meeting. As of October 4, 2012, 6,933,254 shares of our common stock, par value \$0.01 per share, were issued and outstanding, net of 361,990 treasury shares.

How many votes are needed to hold the Annual Meeting?

To take any action at the Annual Meeting, a majority of our outstanding shares of common stock entitled to vote as of October 4, 2012, must be represented, in person or by proxy, at the Annual Meeting. This is called a quorum.

What is a proxy?

A "proxy" allows someone else to vote your shares on your behalf. Our Board of Directors is asking you to allow Mark A. LeDoux, our Chairman and Chief Executive Officer, and Kenneth E. Wolf, our Chief Financial and Operating Officer, to vote your shares at the Annual Meeting.

How do I vote by proxy?

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. To vote by proxy, please follow the instructions on the enclosed proxy card. You may vote by telephone, by Internet or by mail. Shares held in street name may be voted by telephone or by Internet only if your broker or nominee makes those methods available. Your broker or nominee will enclose instructions for voting shares held in street name by telephone or by Internet with this proxy statement if your broker or nominee has chosen to make those methods available.

If you vote by proxy, your shares will be voted at the Annual Meeting in the manner you indicate. If you vote by mail and return a signed proxy card with no specific instructions, your shares will be voted as the Board of Directors recommends.

Can I change my vote after I submit my proxy?

Yes. You can change or revoke your proxy at any time before it is voted by submitting another proxy with a later date. You may also send a written notice of revocation to Natural Alternatives International, Inc., 1185 Linda Vista Drive, San Marcos, California 92078, Attention: Mr. Kenneth Wolf, Secretary.

Can I vote in person at the Annual Meeting instead of voting by proxy?

Yes. However, we encourage you to vote your shares at your earliest convenience to ensure that your shares are represented and voted. If you vote your shares by proxy and later decide you would like to attend the meeting and vote your shares in person, you will need to provide a written notice of revocation to the secretary of the meeting before your proxy is voted.

How are votes counted?

Except as noted, all proxies received will be counted in determining whether a quorum exists and whether we have obtained the necessary number of votes on each proposal. Abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum for the Annual Meeting, but broker non-votes are not counted for purposes of determining the number of shares entitled to vote with respect to any proposal. Accordingly, broker non-votes will have no effect on the outcome of the vote for the election of directors or any other proposed matter. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (i) the broker has not received voting instructions from the beneficial owner and (ii) the broker lacks discretionary voting power to vote such shares.

Stockholders of record who are present in person or by proxy and who abstain, including brokers holding customers' shares of record who cause abstentions to be recorded at the meeting, are considered stockholders who are present and entitled to vote on the proposals. Accordingly, a properly executed proxy marked "ABSTAIN" or "WITHHOLD" with respect to any matter will not be voted, will have no effect on the outcome of the election of directors, and will have the same effect as a vote "AGAINST" any other proposed matter.

What is the Effect of Not Casting My Vote?

If you hold your shares in street name, it is critical that you cast your vote if you want it to count in the election of directors. In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of directors, your bank or broker was allowed to vote those shares on your behalf in the election of directors as they felt appropriate.

Recent changes in regulations were made to take away the ability of your bank or broker to vote your uninstructed shares in the election of directors on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors, no votes will be cast on your behalf. Your bank or broker will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment of the Company's independent registered public accounting firm.

How many votes are required to approve each of the proposals?

For the election of the Class I directors, a plurality of the votes is required for the election of each director. This means that the candidates who receive the most votes will be elected to the available Class I positions on the Board of Directors. The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve the other proposal. See, however, "Proposal 2—Effect of Ratification."

As of October 4, 2012, our executive officers and directors were entitled to vote 1,362,652 shares, or approximately 19.62%, of our issued and outstanding common stock. Our executive officers and directors have indicated their intention to vote "for" the election of each of the nominees for Class I directors and "for" the other proposal described in this proxy statement.

Who pays for this proxy solicitation?

We will pay the cost of soliciting proxies for the Annual Meeting, including the costs of preparing, assembling and mailing the proxy materials. We will provide copies of proxy materials to fiduciaries, custodians and brokerage houses to forward to the beneficial owners of shares held in their name. We may reimburse such fiduciaries, custodians and brokers for their costs in forwarding the proxy materials.

In addition to the solicitation of proxies by mail, certain of our officers and other employees may also solicit proxies personally or by telephone, facsimile, or other means. No additional compensation will be paid to these individuals for any such services. If necessary, we also may retain Computershare Shareowner Services LLC to help us solicit proxies and pay a fee to Computershare Shareowner Services LLC for any such solicitation services provided.

Board Meetings

The Board of Directors held five meetings during the fiscal year ended June 30, 2012. During the fiscal year ended June 30, 2012, All members of the Board of Directors attended at least 75% of the total number of meetings held by the Board of Directors and the committees of the Board of Directors on which they served.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors is comprised of five members, four of whom are independent. The remaining member, Mr. LeDoux, is the Company's founder, Chief Executive Officer and largest stockholder. Mr. LeDoux also serves as the Chairman of the Board. We do not have a lead independent director. The Chairman of the Board is not an officer position. The Chairman resides over meetings of the Board of Directors but does not possess any other rights or responsibilities that differ from the other members of the Board of Directors. We believe a five member board, 80% of which is comprised of independent members, is appropriate for the size and operations of our Company. The Board of Directors has Audit, Human Resources and Nominating Committees as described in more detail below. The Board of Directors is principally responsible for providing risk oversight of the Company.

Independence

Nasdaq rules require listed companies to have a board of directors with at least a majority of independent directors. Our Board of Directors has determined that four of our five directors are independent under the listing standards of the Nasdaq Stock Market. The members determined to be independent are Messrs. Davis, Dunn, Lane and Weldon.

Board Committees

The Board of Directors has an Audit Committee, a Human Resources Committee, which functions as a compensation committee, and a Nominating Committee. Membership on each committee is limited to independent directors as defined under the listing standards of the Nasdaq Stock Market. In addition, members of the Audit Committee must also meet the independence standards for audit committee members adopted by the Securities and Exchange Commission (SEC). The members of the committees of our Board of Directors are as follows:

<u>Audit Committee</u>	<u>Human Resources Committee</u>	<u>Nominating Committee</u>
Joe E. Davis (Chairman)*	Lee G. Weldon (Chairman)	Lee G. Weldon (Chairman)
Alan G. Dunn	Joe E. Davis	Joe E. Davis
Alan J. Lane*	Alan G. Dunn	Alan J. Lane

* The Board of Directors has determined that Messrs. Davis and Lane are each an "audit committee financial expert" as defined by applicable rules adopted by the SEC.

During the fiscal year ended June 30, 2012, the Audit Committee held five meetings, the Human Resources Committee held four meetings, and the Nominating Committee held one meeting.

Audit Committee. The Audit Committee operates under a charter originally adopted by the Board of Directors in 2000, amended and restated in April 2004, and further amended in August 2007 and September 2009. While the Audit Committee charter is not currently available on our website, a copy of the charter, as amended, is included as Attachment A to this proxy statement. The general function of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and the audits of our financial statements. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to the accounting, reporting and financial practices of the Company, including the integrity of our financial statements and disclosures; the surveillance of administration and financial controls and our compliance with legal and regulatory requirements; the qualification, independence and performance of our independent registered public accounting firm; and the performance of our internal audit function and control procedures. The Audit Committee is responsible for reviewing and recommending matters to the Board of Directors, but has no authority to make final decisions except as set forth in the Audit Committee's charter. The Audit Committee has the sole authority to appoint, determine funding for, and oversee our independent registered public accounting firm.

Human Resources Committee. The Human Resources Committee operates under a charter adopted by the Board of Directors in January 2006, and amended in August 2007 and September 2009. While the Human Resources Committee charter is not currently available on our website, a copy of the charter, as amended, is included as Attachment B to this proxy statement. The primary purpose of the Human Resources Committee is to oversee the Company's overall compensation and incentive programs for the Company's executive officers and certain other key personnel. The Human Resources Committee is responsible for reviewing and recommending matters to the Board of Directors, which may be based on recommendations from the Company's management, but has no authority to make final decisions except with respect to the Company's incentive plans as described below or as otherwise set forth in the committee's charter. Among other things, the Human Resources Committee recommends to the Board of Directors the amount of compensation to be paid or awarded to our officers and certain other personnel including salary, bonuses, other cash or stock awards under our incentive compensation

plans as in effect from time to time, retirement and other compensation, and is responsible for evaluating the performance of the Company's Chief Executive Officer and making recommendations to the Board of Directors concerning the compensation for such officer. In addition, the Human Resources Committee has delegated to its Chairman the authority to administer the Company's 2009 Omnibus Incentive Plan with respect to employees who are not officers or directors of the Company, to the sole extent of approving stock option grants under the plan to such employees, within the limitations of such plan, and only for grants proposed by the Company's Chief Executive Officer and Chief Financial Officer not exceeding 5,000 shares, and with a term not exceeding five years, an exercise price equal to at least 110% of the last reported sale price of the Company's common stock on the Nasdaq Stock Market on the date of grant, and vesting over a period of not less than three years. The Human Resources Committee may engage the services of an independent compensation and benefits consulting company to conduct a survey and review of the Company's compensation programs as compared to other similarly situated companies taking into account, among others, industry, size and location when the committee deems appropriate.

Nominating Committee. The Nominating Committee operates under a charter adopted by the Board of Directors in August 2004, and amended in August 2007 and September 2009. While the Nominating Committee charter is not currently available on our website, a copy of the charter, as amended, is included as Attachment C to this proxy statement. The purpose of the Nominating Committee is to assist the Board of Directors in identifying qualified individuals to become members of the Board of Directors and in determining the composition of the Board of Directors and its various committees. The Nominating Committee periodically reviews the qualifications and independence of directors, selects candidates as nominees for election as directors, recommends directors to serve on the various committees of the Board of Directors, reviews director compensation and benefits, and oversees the self-assessment process of each of the committees of the Board of Directors.

The Nominating Committee considers nominee recommendations from a variety of sources, including nominees recommended by stockholders. Persons recommended by stockholders are evaluated on the same basis as persons suggested by others. Stockholder recommendations may be made in accordance with our Stockholder Communications Policy. See "Stockholder Communications with Directors" below. The Nominating Committee has the authority to retain a search firm to assist in the process of identifying and evaluating candidates.

The Nominating Committee has not established any specific minimum requirements for potential members of our Board of Directors. Instead, the Nominating Committee's evaluation process includes many factors and considerations including, but not limited to, a determination of whether a candidate meets Nasdaq and/or SEC requirements relating to independence and/or financial expertise, as applicable, and whether the candidate meets the Company's desired qualifications in the context of the current make-up of the Board of Directors with respect to factors such as business experience, education, intelligence, leadership capabilities, integrity, competence, dedication, diversity, skills, and the overall ability to contribute in a meaningful way to the deliberations of the Board of Directors respecting the Company's business strategies, financial and operational performance and corporate governance practices. The Nominating Committee will generally select those nominees whose attributes it believes would be most beneficial to the Company in light of all the circumstances.

Stockholder Communications with Directors

Our Board of Directors has adopted a Stockholder Communications Policy to provide a process by which our stockholders may communicate with the Board of Directors. Under the policy, stockholders may communicate with the Board of Directors as a whole, with the independent directors, with a committee of the Board, or with a particular director. Stockholders wishing to communicate directly with our Board of Directors may do so by mail addressed to Natural Alternatives International, Inc., 1185 Linda Vista Drive, San Marcos, California, 92078, Attn: Corporate Secretary. The envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication" or "Stockholder-Director Communication." All such letters must identify the author as a stockholder of the Company and clearly state whether the intended recipients are all members of the Board of Directors, all independent directors, all members of a committee of the Board, or certain specified

individual directors. The Corporate Secretary will review the communications received from stockholders at the above designated address on a regular basis and if they are relevant to the Company's operations and policies, they will be copied and forwarded to the appropriate director or directors as expeditiously as reasonably practicable. By way of example, communications that are unduly hostile, threatening, obscene, illegal or similarly inappropriate will not be forwarded to any director. Matters deemed to be trivial in the sole discretion of the Corporate Secretary will be delivered to the appropriate director or directors at the next regularly scheduled meeting of the Board of Directors. The Corporate Secretary will periodically provide the Board of Directors with a summary of all communications received that were not forwarded and will make those communications available to any director upon request. The Board of Directors will determine whether any communications sent to the Board of Directors should be properly addressed by the entire Board or a committee thereof and whether a response to the communication is warranted.

Attendance at Annual Meetings

The members of the Board of Directors are encouraged, but not required, to attend each of the Company's annual meetings of stockholders. It may not be possible or practicable, in light of other business commitments of the directors, for all of the members of the Board of Directors to attend all of the Company's annual meetings of stockholders. At the Company's last annual meeting of stockholders held on December 2, 2011, each of the members of the Board of Directors was present.

One or more representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and are expected to be available to respond to appropriate questions and to make a statement if they desire to do so.

The aggregate fees billed to the Company by Ernst & Young LLP for professional services rendered for the audit of our annual financial statements, the reviews of the financial statements included in our Quarterly Reports on Form 10-Q and other services provided in connection with our statutory and regulatory filings during each of the last two fiscal years ended June 30, were:

2012	\$273,461
2011	\$252,524

Audit-Related Fees

There were no fees billed to the Company by Ernst & Young LLP for assurance and related services reasonably related to the performance of the audit or review of our financial statements and not included under "Audit Fees" above during the fiscal years ended June 30, 2012 and June 30, 2011.

Tax Fees

During the fiscal year ended June 30, 2012, Ernst & Young billed the Company fees in the amount of \$2,000 for services provided in connection with a review of the Company's transfer pricing practices and the Company's compliance with applicable U.S. Department of Treasury regulations. During the fiscal year ended June 30, 2011, fees in the amount of \$14,000 were billed to the Company by Ernst & Young LLP for services provided in connection with the review of the Company's transfer pricing practices and their compliance with applicable treasury regulations. All of such services were approved by the Audit Committee.

All Other Fees

There were no other fees billed to the Company by Ernst & Young LLP for products and services provided during the fiscal years ended June 30, 2012 and June 30, 2011.

Pre-Approval Policies and Procedures

On June 23, 2003, the Audit Committee approved certain policies and procedures under which all audit and non-audit services performed by our independent registered public accounting firm must be approved in advance by the Audit Committee. Under these policies and procedures, proposed services to be provided by our independent registered public accounting firm may either be pre-approved without consideration of specific case-by-case services by the Audit Committee ("general pre-approval"), or require the specific pre-approval of the Audit Committee ("specific pre-approval"). The Audit Committee may delegate either type of pre-approval authority to one or more of its members, who would then be required to report any pre-approval decisions to the Audit Committee at its next scheduled meeting. Unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by our independent registered public accounting firm. Any proposed services exceeding pre-approved cost levels or budgeted amounts also will require specific pre-approval by the Audit Committee. In granting both general and specific pre-approval, the Audit Committee will consider whether such services are consistent with the SEC's rules on auditor independence, as well as whether our independent registered public accounting firm is best positioned to provide the most effective and efficient service, for reasons such as familiarity with our business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance our ability to manage or control risk or improve audit quality. The term of any general pre-approval will be 12 months, unless the Audit Committee determines otherwise.

Audit Services. The annual audit services engagement terms and fees are subject to specific pre-approval by the Audit Committee. Audit services include the annual financial statement audit and quarterly reviews, subsidiary audits, and other services necessary for the auditors to form an opinion on the Company's consolidated financial statements. The Audit Committee monitors the audit services engagement no less frequently than quarterly and also approves, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope,

Company structure or other items. In addition, the Audit Committee may grant general pre-approval to other audit services, which include statutory or financial audits for subsidiaries of the Company and services associated with SEC registration statements, periodic reports and other documents filed with the SEC or issued in connection with securities offerings.

Audit-Related Services. The Audit Committee may grant general pre-approval of audit-related services, which are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent registered public accounting firm. Audit-related services include due diligence services pertaining to any potential business acquisitions or dispositions, consultations related to accounting, financial reporting or disclosure matters not classified as audit services, assistance with the implementation of new accounting and financial reporting rules and guidance, financial audits of employee benefit plans, and assistance with internal control reporting requirements.

Tax Services. To the extent the Company retains its independent registered public accounting firm to provide tax services, the Audit Committee may grant general pre-approval for those tax services that historically have been provided by its independent registered public accounting firm and that the Audit Committee has reviewed and determined would not impair the independence of the auditor. Generally, tax services involving large and complex transactions must be specifically pre-approved by the Audit Committee.

Other Services. The Audit Committee may grant general pre-approval to those permissible non-audit services that it determines are routine and recurring services and that would not impair auditor independence. All other services not otherwise classified above must be specifically pre-approved by the Audit Committee.

Procedures. All services proposed to be provided by our independent registered public accounting firm that do not require specific pre-approval by the Audit Committee are submitted to the Company's Chief Financial Officer, who determines whether such services are included within those that have received general pre-approval by the Audit Committee. All services proposed to be provided by our independent registered public accounting firm that require specific pre-approval by the Audit Committee are submitted to the Audit Committee or its delegated member by both the independent registered public accounting firm and the Company's Chief Financial Officer. The Chief Financial Officer is responsible for monitoring the performance of the services provided by the independent registered public accounting firm, determining whether such services are in compliance with the Audit Committee's pre-approval policies, and reporting the results of his monitoring on a periodic basis to the Audit Committee.

Effect of Ratification

Ratification by stockholders of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by applicable law. However, as a matter of policy and sound corporate practice, we are submitting the selection to our stockholders for ratification at the Annual Meeting. If stockholders fail to ratify the selection of Ernst & Young LLP, the Board of Directors will reconsider the matter. Even if the selection is ratified by stockholders, the Board of Directors may select a different firm to serve as our independent registered public accounting firm at any time during the fiscal year if it believes a change would be in the best interests of the Company and its stockholders.

Our Board of Directors unanimously recommends that you vote "FOR" Proposal 2.

This Audit Committee Charter sets forth the purpose and membership requirements of the Audit Committee (the "Committee") of the Board of Directors (the "Board") of Natural Alternatives International, Inc. (the "Company") and establishes the authority and responsibilities delegated to it by the Board.

1. Statement of Purpose

The purpose of the Committee is to oversee the accounting and financial reporting processes of the Company and the audits of the Company's financial statements. The Committee shall:

- provide assistance to the Board in fulfilling its oversight responsibilities relating to:
 - the accounting, reporting and financial practices of the Company, including the integrity of the Company's financial statements and disclosures;
 - the surveillance of administration and financial controls and the Company's compliance with legal and regulatory requirements;
 - the qualification, independence and performance of the Company's independent auditing firm (the "Auditor"); and
 - the performance of the Company's internal audit function and control procedures;
- prepare the report that United States Securities and Exchange Commission ("SEC") rules require to be included in the Company's annual proxy statement; and
- perform such other duties set forth in this Charter and as directed from time to time by the Board.

In performing its responsibilities, the Committee shall maintain free and open communication between the Committee, the Auditor, and the Company's management.

2. Membership

- 2.1. Composition and Appointment. The Committee shall consist of three (3) or more members of the Board. The members of the Committee shall be appointed by the Board on the recommendation of the Company's Nominating Committee or, if there is no such committee, a majority of the Company's independent directors. The Board shall fill vacancies on the Committee and may remove a Committee member from membership on the Committee at any time with or without cause. Members shall serve until removed or their successors are appointed by the Board.
- 2.2. Chairperson. Unless a Chairperson is elected by the full Board, the members of the Committee shall designate a Chairperson by majority vote of all the Committee members.
- 2.3. Independence. Each member of the Committee must meet applicable independence requirements, including, without limitation, the independence requirements of Nasdaq as in effect from time to time or such other exchange on which the Company's shares may then be listed, and any independence requirements under federal securities laws and/or the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated thereunder as may be amended and in effect from time to time, and must not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three (3) years. Independence shall be determined as to each member by the full Board.

Notwithstanding the foregoing, one director who: (i) is not independent as defined by applicable independence requirements; (ii) meets certain applicable criteria set forth in the Securities Exchange Act of 1934, as amended (the “34 Act”) and the rules thereunder; and (iii) is not a current officer or employee or a family member of such officer or employee, may be appointed to the audit committee, if the Board, under exceptional and limited circumstances, determines that membership on the Committee by such individual is required by the best interests of the Company and its stockholders, and the Board discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination. A member appointed under this exception may not serve longer than two (2) years and may not chair the Committee.

- 2.4. Financial Literacy. Each member of the Committee shall be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement, and cash flow statement.
- 2.5. Financial Expert. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the member’s financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. To the extent required by Section 407 of the Sarbanes-Oxley Act of 2002 and subject to the ability of the Company to obtain a qualified Board member, at least one member of the Committee shall be a “financial expert” within the definition of Section 407 of said act and the rules and regulations of the SEC promulgated thereunder.
- 2.6. Compensation. The compensation of the members of the Committee shall be as determined by the Board from time to time. No member of the Committee may accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company or any subsidiary of the Company, other than in his or her capacity as a member of the Committee, the Board or any other committee of the Board. For this purpose, indirect acceptance includes acceptance of such a fee by a spouse, minor child or stepchild or a child or stepchild sharing a home with the Committee member, or by an entity in which the Committee member is a partner, member, an officer such as a managing director occupying a comparable position or executive officer, or occupies a similar position (except limited partners, non-managing members and those occupying similar positions who, in each case, have no active role in providing services to the entity) and which provides accounting, consulting, legal, investment banking or financial advisory services to the Company or any of its subsidiaries.

3. Authority

The Committee shall have all resources and authority necessary to discharge its duties and responsibilities, including those set forth below.

- 3.1. Education. To help ensure that members of the Committee have the proper knowledge to perform their responsibilities, Committee members shall have the authority, at the Company’s expense, to attend outside educational programs, retain outside professionals to conduct educational programs and undertake other appropriate steps to keep current with developments in accounting, disclosure, risk management, internal controls, auditing and other matters that are relevant to carrying out the Committee’s responsibilities.
- 3.2. Advisors. The Committee shall have the authority to engage independent counsel and other advisors (“Advisors”) as it deems necessary or appropriate to fulfill its responsibilities. Any communications between the Committee and legal counsel in the course of obtaining legal advice will be considered privileged communications of the Company, and the Committee will take all necessary steps to preserve the privileged nature of those communications.

-
- 3.4. Information. The Committee shall have the authority to require any officer, director or employee of the Company, the Company's outside legal counsel and the Auditor to meet with the Committee and any of its Advisors and to respond to the Committee's inquiries. The Committee shall have full access to the books, records and facilities of the Company in carrying out its responsibilities.
 - 3.5. Funding. The Committee shall have the authority to determine the appropriate funding for: (i) compensation to the Auditor for its services in rendering an audit report or performing other audit, review or attest services for the Company; (ii) compensation to any Advisors employed by the Committee pursuant to Section 3.2; and (iii) ordinary administrative expenses of the Committee necessary or appropriate in carrying out its duties.
 - 3.6. Recommendations to Board. The Committee shall be responsible for reviewing and recommending matters to the Board but shall have no authority to make final decisions other than as set forth in this Charter or required by applicable law. Notwithstanding the foregoing, the Committee shall have the sole authority to appoint, determine funding for, and oversee the Auditor.

4. Meetings

- 4.1. Frequency. The Committee shall meet at least once per fiscal quarter or more frequently as the Committee deems necessary or appropriate. Meetings may be in person or by telephone as needed to conduct the business of the Committee. The Committee shall have the authority to call meetings at its discretion and to invite officers and employees of the company and the Auditor to attend. - 4.3. Procedures. The Committee will be governed by the same rules regarding meetings, action without meetings, notice, waiver of notice, and quorum and voting requirements as are applicable to the Board. The Committee may adopt its own rules of procedure not inconsistent with (i) any provision of this Charter; (ii) any provision of the Company's bylaws; or (iii) any applicable federal or state law.
- 4.4. Minutes. The Chairperson of the Committee shall designate a person, who need not be a member of the Committee, to act as secretary and to keep the minutes of each meeting of the Committee.
- 4.5. Presiding Member. The Chairperson of the Committee shall preside at all Committee meetings. If the Chairperson is absent at a meeting, a majority of the Committee members present at a meeting shall appoint a different presiding member for that meeting.

-
- 5.2. Pre-approval of Auditor Services.
- 5.2.1. *Committee Pre-Approval.* The Committee must approve in advance all auditing services and all permissible non-audit services to be provided by the Auditor. If the Committee approves an audit service within the scope of the engagement of the Auditor, such audit service shall be deemed to have been pre-approved.
- 5.2.2. *Pre-Approval Exception.* Pre-approval shall not be required under Section 5.2.1 for permissible non-audit services if (i) the aggregate amount of all such non-audit services provided to the Company is not more than five percent (5%) of the total amount of revenues paid by the Company to the Auditor during the fiscal year in which the non-audit services are provided; (ii) such services were not recognized by the Company at the time of engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and approved before completion of the audit by the Committee or by one or more members of the Committee to whom authority to grant such approvals has been delegated by the Committee.
- 5.2.3. *Delegation of Pre-Approval Authority.* The Committee may delegate to one or more designated members of the Committee the authority to grant the pre-approvals of Auditor services required by this Section 5.2. The decision of any member of the Committee to whom such authority is delegated shall be presented to the full Committee at its next scheduled meeting.
- 5.3. Independence. The Committee shall periodically assess and satisfy itself that the Auditor is “independent” in accordance with applicable rules and regulations. The Committee shall obtain from the Auditor a formal written statement delineating all relationships between the Auditor and the Company, consistent with applicable requirements of the Public Company Accounting Oversight Board (“PCAOB”), and such other disclosures required by the PCAOB and other applicable requirements. The Committee shall be responsible for actively engaging in a dialogue with the Auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the Auditor, including whether the provision by the Auditor of permissible non-audit services is compatible with independence, and for taking, or recommending that the full Board take, appropriate action.
- 5.4. Quality Control. The Committee shall annually obtain from the Auditor, and review, a written report describing (i) the Auditor’s internal quality control procedures; and (ii) any material issues raised by (a) the most recent internal quality control review, or peer review, of the Auditor, or (b) any inquiry or investigation by governmental or accounting profession authorities, in each case within the past five years, respecting one or more independent audits carried out by the Auditor, and any steps taken to deal with any such issues.
- 5.5. Audit Partner Rotation. The Committee shall annually obtain from the Auditor a written statement confirming that neither the lead (or coordinating) audit partner having primary responsibility for the Company’s audit nor the audit partner responsible for reviewing the Company’s audit has performed audit services for the Company in each of the Company’s five previous fiscal years.
- 5.6. Auditor Reports Review. The Committee shall review and discuss with the Auditor and management on a timely basis the reports required by the 34 Act and other applicable rules and regulations regarding: (i) all critical accounting policies and practices to be used; (ii) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management officials of the Company, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the Auditor; and (iii) other material written communications between the Auditor and management, such as any management letter or schedule of unadjusted differences.

 - 5.11. Internal Control Assessment. When required by applicable law, the Committee shall annually obtain from the Auditor a written report in which the Auditor attests to and reports on the assessment of the Company's internal controls made by the Company's management.
 - 5.12. Evaluation. The Committee shall annually, following the completion of the audit reports and at such other times as it deems appropriate, evaluate the performance of the Auditor.

6. Internal Audit Process

- 6.1. Internal Audit Process. The Committee shall have primary responsibility for overseeing the Company's internal audit function and any other appropriate control process in place for reviewing and approving the Company's internal transactions and accounting; provided, that (i) this Section 6.1 shall not be construed to require the Company to establish a separate internal audit department or dedicate employees to the task on a full-time basis and (ii) the Company may choose to outsource this function to a firm other than the Auditor. The Committee shall meet periodically, in its discretion, with management, the Auditor and any internal audit personnel or retained internal audit firm to review (i) plans for the internal audit program (including scope, responsibilities, budget and staffing) for the coming year, (ii) the coordination of such plans with the work of the Auditor, and (iii) progress and results of the internal auditing process.

 - 7.3. Recommendation Regarding Financial Statements. The Committee shall annually make a determination as to whether to recommend to the Board that the audited financial statements be included in the Company's annual report on Form 10-K for filing with the SEC.

8. Internal Controls

- 8.1. Internal Controls and Compliance Policies. The Committee shall have responsibility for monitoring management's continuing implementation of an effective system of internal control, the purpose of which is to help promote the reliability of financial and operating information, and compliance with applicable laws, regulations and Company policies, including those related to business conduct and ethics. For the purpose of assessing their adequacy and effectiveness, the Committee (i) shall periodically, at its discretion, review and assess with management, any internal audit personnel or retained internal audit firm, the Auditor and, if the Committee deems it appropriate, outside legal counsel (a) the system of internal controls (including any significant deficiencies or material weaknesses and any material changes in internal controls reported to the Committee), internal control over financial reporting, significant accounting principles and practices, and disclosure controls and procedures followed by the Company in accounting for and reporting its financial results of operations, including whether such controls are reasonably designed to ensure that appropriate information comes to the attention of the Committee, the full Board and management in a timely manner, prevent violations of law and corporate policy and permit the Company to prepare accurate and informative financial reports, (b) the Company's compliance with laws and regulations, (c) the Company's Code of Business Conduct and Ethics and the Company's Corporate Disclosure and Insider Trading Policy, and (d) the methods and procedures for monitoring compliance with such policies; and (ii) shall elicit any recommendations for the improvement of the Company's Code of Business Conduct and Ethics and the Company's Corporate Disclosure and Insider Trading Policy, and such controls, policies, methods and procedures. The Committee shall review with management and the Auditor, prior to its annual filing, the internal control report (containing the annual assessment of the effectiveness of the internal control structure and procedures of the Company for ensuring the accuracy of public disclosures) that is or will be required to be filed by the Company with the SEC on Form 10-K.
- 8.2. Information Security. The Committee shall periodically, at its discretion, review and assess with management and the Auditor the adequacy of the security for the Company's information systems and the Company's contingency plans in the event of a systems breakdown or security breach.
- 8.3. Code of Business Conduct and Ethics Violations and Waivers. The Committee shall periodically, at its discretion, inquire of management, any internal audit personnel or retained internal audit firm, and the Auditor as to their knowledge of (i) any violation of the Code of Business Conduct and Ethics,

Any waiver of the Code of Business Conduct and Ethics with respect to a director or executive officer may only be granted by the Committee or the full Board. All waivers granted by the Committee shall be promptly reported to the entire Board and be publicly disclosed as required by applicable rules of the SEC and Nasdaq or such other exchange on which the Company's shares may then be listed.

- 8.6. Related Party Transactions. The Committee shall conduct an appropriate review of all related party transactions for potential conflict of interest situations on an ongoing basis. The Company shall not enter into a related party transaction unless such transaction is approved by the Committee. A transaction will be considered a "related party transaction" if the transaction would be required to be disclosed pursuant applicable federal securities laws.
- 8.7. Significant Risks. The Committee shall periodically, in its discretion, review and discuss with management the Company's most significant financial risks, methods of risk assessment, risk mitigation strategies and the overall effectiveness of the Company's guidelines, policies and systems with respect to risk assessment and management, including policies and procedures for derivative and foreign exchange transactions and insurance coverage.

NATURAL ALTERNATIVES INTERNATIONAL, INC.

NOMINATING COMMITTEE CHARTER

(Effective as of August 27, 2004, as amended August 24, 2007, and as further amended September 11, 2009)

This Nominating Committee Charter sets forth the purpose and membership requirements of the Nominating Committee (the "Committee") of the Board of Directors (the "Board") of Natural Alternatives International, Inc. (the "Company") and establishes the authority and responsibilities delegated to it by the Board.

17. Statement of Purpose

The purpose of the Committee is to assist the Board in identifying qualified individuals to become members of the Board and in determining the composition of the Board and its various committees.

18. Membership

- 18.1. Composition and Appointment. The Committee shall consist of three (3) or more members of the Board. The members of the Committee shall be appointed by the Board. The Board shall fill vacancies on the Committee and may remove a Committee member from membership on the Committee at any time with or without cause. Members shall serve until removed or their successors are appointed by the Board.
- 18.2. Chairperson. Unless a Chairperson is elected by the full Board, the members of the Committee shall designate a Chairperson by majority vote of all the Committee members.
- 18.3. Independence. Each member of the Committee must meet applicable independence requirements, including, without limitation, the independence requirements of Nasdaq as in effect from time to time or such other exchange on which the Company's shares may then be listed. Independence shall be determined as to each member by the full Board.

Notwithstanding the foregoing, one director who: (i) is not independent as defined by applicable independence requirements; and (ii) is not a current officer or employee or a family member of such officer or employee, may be appointed to the Committee, if the Board, under exceptional and limited circumstances, determines that membership on the Committee by such individual is required by the best interests of the Company and its stockholders, and the Board discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination. A member appointed under this exception may not serve longer than two (2) years and may not chair the Committee.
- 18.4. Compensation. The compensation of the members of the Committee shall be as determined by the Board from time to time. No member of the Committee may accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company or any subsidiary of the Company, other than in his or her capacity as a member of the Committee, the Board or any other committee of the Board.

19. Authority

The Committee shall have all resources and authority necessary to discharge its duties and responsibilities, including those set forth below.

- 19.1. Advisors. The Committee shall have the authority to engage independent counsel and other advisors ("Advisors") as it deems necessary or appropriate to fulfill its responsibilities. Any communications between the Committee and legal counsel in the course of obtaining legal advice will be considered privileged communications of the Company, and the Committee will take all necessary steps to preserve the privileged nature of those communications.

-
- 19.2. Search Firm. The Committee shall have the authority to retain a search firm to assist in the process of identifying and evaluating candidates.
 - 19.3. Investigations. The Committee shall have the authority to conduct investigations that it deems necessary to fulfill its responsibilities.
 - 19.4. Funding. The Committee shall have the authority to determine the appropriate funding for: (i) the retention of a search firm pursuant to Section 3.2; (ii) compensation to any Advisors employed by the Committee pursuant to Section 3.1; and (iii) ordinary administrative expenses of the Committee necessary or appropriate in carrying out its duties.
 - 19.5. Delegation. The Committee shall have the authority to delegate any of its responsibilities to subcommittees as the Committee may deem appropriate in its sole discretion.
 - 19.6. Recommendations to Board. The Committee shall be responsible for reviewing and recommending matters to the Board but shall have no authority to make final decisions other than as set forth in this Charter or required by applicable law.

20. Duties and Responsibilities

In carrying out the stated purpose of this Committee, the Committee shall:

- Review the qualifications and independence of the members of the Board and its various committees on a periodic basis and make any recommendations to the Board that the Committee may deem appropriate concerning any recommended changes in the composition or membership of the Board, or any of its committees;
- Identify and recruit individuals qualified to become Board members, including evaluating persons suggested by stockholders or others, and conducting appropriate inquiries into the backgrounds and qualifications of possible nominees. Persons suggested by stockholders shall be evaluated on the same basis as persons suggested by others. Stockholder recommendations shall be made in accordance with the Company's Stockholder Communications Policy. Evaluations shall include a determination of whether a candidate meets applicable requirements relating to independence and/or financial expertise, and whether the candidate meets the Company's desired qualifications in the context of the current make-up of the Board with respect to factors such as business experience, education, intelligence, leadership capabilities, integrity, competence, dedication, diversity, skills, and the overall ability to contribute in a meaningful way to the Board's deliberations respecting the Company's business strategies, financial and operational performance and corporate governance practices.
- Select candidates as nominees for election as directors and recommend to the Board the director nominees whenever new directors are to be appointed or elected, whether at the next annual meeting of stockholders or otherwise. The Committee will select those nominees whose attributes it believes would be most beneficial to the Company in light of all the circumstances.
- Recommend to the Board for its approval directors to serve as members of each committee. The Committee shall review and recommend committee members to fill vacancies as needed.
- Review on an annual basis director compensation and benefits.
- Establish the standards for and annually review and evaluate each Board committee's annual self-assessment and provide a report of such evaluations to the Board.
- Perform such other duties set forth in this Charter and as directed from time to time by the Board.

21. Meetings

- 21.1. Frequency. The Committee shall meet at least once per fiscal year or more frequently as the Committee deems necessary or appropriate. Meetings may be in person or by telephone as needed to conduct the business of the Committee. The Committee shall have the authority to call meetings at its

discretion and to invite officers and employees of the company to attend. To the extent practicable, the meeting agenda, draft minutes from the prior meeting, and supporting materials, shall be provided to the Committee members before each meeting to allow time for review.

- 21.2. Procedures. The Committee will be governed by the same rules regarding meetings, action without meetings, notice, waiver of notice, and quorum and voting requirements as are applicable to the Board. The Committee may adopt its own rules of procedure not inconsistent with (i) any provision of this Charter; (ii) any provision of the Company's bylaws; or (iii) any applicable federal or state law.
- 21.3. Minutes. The Chairperson of the Committee shall designate a person, who need not be a member of the Committee, to act as secretary and to keep the minutes of each meeting of the Committee.
- 21.4. Presiding Member. The Chairperson of the Committee shall preside at all Committee meetings. If the Chairperson is absent at a meeting, a majority of the Committee members present at a meeting shall appoint a different presiding member for that meeting.

22. Reports and Assessments

- 22.1. Board Reports. The Chairperson of the Committee, or such other member designated by the Committee, shall report to the Board on a regular basis regarding the Committee's actions and the fulfillment of the Committee's responsibilities under this Charter.
- 22.2. Charter Assessment. The Committee shall review and reassess the adequacy of this Charter at least annually. In conducting such review, the Committee will assess the Charter's compliance with applicable rules and regulations regarding the Committee's composition, independence, scope of responsibilities and other relevant matters. Results of the Committee's review of this Charter, and any appropriate updates or amendments, shall be duly reported to the full Board.
- 22.3. Committee Self-Assessment. The Committee shall annually make a self-assessment of its performance and shall report the results of such self-assessment to the Board.

23. Charter Guidelines

While the responsibilities of the Committee set forth in this Charter are contemplated to be the principal recurring activities of the Committee in carrying out its purpose, these responsibilities are to serve as a guide with the understanding that the Committee may diverge from them as it deems appropriate given the circumstances. Furthermore, from time to time, the Committee may take on additional responsibilities at the request of the Board.
